

INTERNATIONAL STUDENTS **ACCOMMODATION POLICY**

Wakari School will only accept International students who are living in the following types of accommodation:

- With their parents
- With a Designated Caregiver

A "Designated Caregiver" includes all relatives e.g. aunt and uncle and close family friends.

Wakari School is responsible for the accommodation needs of students who have a designated caregiver.

Wakari School will:

- Meet with Designated Caregivers at the caregivers' home prior to enrolling the student. This visit will include an assessment of:
 - The suitability of the home
 - The suitability of the residential caregiver
 - Whether the caregiver will provide a good physical and emotional environment
 - Whether there will be learning support.
- Meet with students at school once a term to discuss their accommodation and determine that they are safe and well.

Wakari School will ensure parents sign an indemnity document prior to enrolment.
