

Parent BYOD Agreement

As Parents/Caregivers of _____ we agree that:

1. Devices brought to school are for my child's use only during class time. It will be stored in my child's container at all other times.
2. If the equipment is damaged at school, personal insurance will cover the cost of repairs or replacement.
3. We will put in place safe procedures for our child to transport their device to and from school.
4. We understand that it is the school's right to withdraw our child's computer license and use of any device at school if they breach the school's internet use policy.
5. We will perform software and anti-virus updates when the device is brought home.
6. My child's device can be periodically inspected and monitored for appropriate usage.
7. School personnel may access the browser history and/or caches as well as any files belonging to my child's device.
8. The school can publish my child's learning online.

Make and model of our device:
