

Dear Parents/Caregivers

We hope you had a good 1st term holidays.

As requested last term, we are still looking for donations for our fill-a-jars for the fair. Thank you to those families who have supported this so far. If you haven't already can you please do so by Friday 21st May. The bucket for collection is in the office.

Also, we are requesting donations of jam jars, or jars of similar size so we can use as many eco friendly recyclable options as possible for these fill-a-jars. These can also be popped in the donation bucket. With or without lids would be fantastic.

Just another friendly reminder that to have a successful fair we need a huge amount of volunteers, once again thank you to those who have returned slips, and please if you can give time over fair weekend, even just a small amount, please return these slips to the office during term 2.

Many thanks

Jaime Winklemann (Fair Co-ordinator)

Home and School Committee
